

USS Ticonderoga Reunion - May 18 to May 22, 2017

Tour #1 - Friday, May 19th - The Ringling is a tour of the winter headquarters of the world famous Ringling Brothers. The tour includes admission to the park grounds, Circus Museum, Museum of Art, and a private guided tour of the first and second floors of the Ca' D'Zan, the private home of Mr. Ringling. Lunch is available on the grounds near the Circus Museum (\$8-18) and will be on your own.

Circus Museum - Walk the wire. Squeeze into a clown car. Snap photos with a ferocious (faux) tiger. See parade wagons, posters, glittering costumes, and the cannon that daring performers were shot through the air. Wonder at the 44,000 piece of the Howard Brothers circus model and the Greatest Show on Earth mural celebrating the entertainment that delighted packed houses across America for generations

Museum of Art - Here in an extraordinary place is an extraordinary collection of art. See the Rubens Gallery, Turrell Skyspace, and view treasures from around the world. This awe-inspiring palace was originally built by John Ringling. This is a place of beauty and wonder.

Ca' D'Zan - The 36,000 square foot home of the circus king and his wife, a couple from humble mid-western origins. The mansion is a testament to the American Dream of the Roaring Twenties.

=====
