TOUR DESCRIPTIONS

MILITARY AVIATION MUSEUM:

Board the motor coach with your tour guide and visit one of Virginia Beach's most revered attractions, the Military Aviation Museum, home to one of the largest private collections of World War II and Korean War era fighters, bombers, trainers and seaplanes in the world. Many aircraft have been fully restored to their World War II condition and are used for flight demonstration, movie production or commercials. Enjoy a guided tour of the galleries and shopping in the gift shop which is stocked with all things flight related. A boxed lunch will be enjoyed while at the museum. And much more to see!

NORFOLK NAVAL BASE TOUR:

Join your tour guide on the motor coach and depart for the Norfolk Naval Base, which is part of Naval Station Norfolk - the largest naval installation in the world. Home port to 59 ships, ranging in size from aircraft carriers to submarines, 18 aircraft squadrons and headquarters of the Atlantic Fleet, this naval complex occupies over 8,000 acres of land and is home to more than 70,000 military personnel. A Navy personnel will board the coach and take you past the 14 piers, through the Naval Air Station, and the historic homes built for the 1907 Jamestown Exposition on "Admiral's Row" which now house the flag officers. Then, board the magnificent Spirit of Norfolk for a two-hour luncheon cruise.
