

AIMD

AVIATION INTERMEDIATE MAINTENANCE DEPARTMENT OFFICER -
CDR J.H. Bauernfeind

navysite.de

When the birds aren't "up" a carrier is just another ship. The job of keeping them flying rests on the skill of the men of the Aircraft Intermediate Maintenance Department - TICO's AIMD. Evolving from the old V-6 Division, AIMD combined the talents of Ship's Company and Air Wing maintenance specialists to set an outstanding record for planes "up." It was these men who kept them Movin' West '68.

MAINTENANCE and
MATERIAL CONTROL
OFFICER - LCDR B.B.
Rice, IM-2 DIVISION
